

GENERAL SHOW RULES AND REGULATIONS

1. This show will be governed by the rules, regulations and guidelines of the American Rose Society as set forth in the *Guidelines for Judging Roses*, *Guidelines for Judging Rose Arrangements*, *Guidelines and Rules for Judging Rose Photography*. The ARS Official Scale of Points will be used for judging Challenge, Horticulture, Arrangement and Photography entries.
2. All exhibitors must be registered for the 2018 NCNH District Conference.
3. Only one exhibitor or team from one garden may enter any one class.
4. All roses must have been grown outdoors in a garden.
5. Section headings state qualifications for entering. Awards will be available as stated in the full schedule.
6. All roses must be correctly named and exhibited under their approved ARS exhibition name. The variety must be listed in an ARS recognized publication including the Modern Roses database on the web, *Modern Roses 12*, the *ARS Official List of Approved Exhibition Names*, the *ARS Handbook for Selecting Roses*, and the current *Combined Rose List*. Details, especially of Old Garden Roses prior to 1867, should be double-checked in Modern Roses.
7. All entries must be made according to the schedule and in the proper class, or be disqualified. Entry tags must be completed correctly: Top and bottom portion must show the Section, Class, Variety and Exhibitor's Name and Address. Bottom portion must be correctly folded so the exhibitor's name will not be visible during judging. The entry tags and most containers will be provided by the Lodi-Woodbridge Rose Society (LWRS).
8. First, second and third places will be awarded in each class as, and if, merited. More than one of each place may be awarded, as long as they are awarded to different varieties.
9. Only first place winners are eligible for trophies and awards. Judges must write "Trophy" or "Best" on all trophy and award winner's tags.
10. Exhibits must remain intact until the close of the show. No entry may be removed before release time (4:30 p.m.) or as announced on the day of the show.
11. Judges who are judging in a specific Division of the show may enter their own exhibits ONLY in the judges Classes in that Division. Judges may enter exhibits in any other Division without penalty.
12. Judges may withhold ribbons, certificates and trophies at their discretion. The decisions of the judges are final.
13. The Show Chair will be responsible for interpreting the Schedule and enforcing the Rules and Regulations of the show.
14. During the judging, no one will be permitted on the show floor except those authorized by the Show Chair.
15. Please pick up any personal property (e.g. bowls, boxes, vases, etc.) between 8:00 a.m. and 9:00 a.m. on Sunday.

16. Neither Lodi-Woodbridge Rose Society nor the Lodi Grape Festival will be responsible for loss or damage to any exhibits or personal property of the exhibitors.
17. ARS and NCNH District awards will be presented at the Awards Breakfast on Sunday, October 7.

RULES SPECIFIC TO HORTICULTURE EXHIBITS

- 1 Entry tags, vases, bowls, boxes and frames will be supplied by Lodi-Woodbridge Rose Society on a first-come, first-served basis unless otherwise specified. Exhibitor-owned vases, bowls, boxes and frames may be used but must be constructed according to ARS standards or approved by the show chair.
- 2 Large Horticulture entry tags are to be used for large rose entries (HT, Gr, Fl, Pol, LCl, all Shrubs, OGR). Small Horticulture entry tags are to be used for small roses (Min, MinFl) and Photography entries. Challenge tags must be used in Challenge classes, and red Arrangement entry tags must be used for all Arrangement entries. Entry tags must be complete; both halves must be filled out. Roses must be correctly identified. Tags should be correctly folded so exhibitor's name will not show during judging.
- 3 This is an alphabetic show. Entries in Division I, Section C (Horticulture Specimens) will be placed alphabetically by the first letter of their name, and each variety will constitute a class.
- 4 Exhibitors are allowed as many entries in each class as the schedule permits, however, only one entry in any Challenge, Arrangement or Horticulture varietal sub-class. Multiple entries in restricted classes will all be disqualified.
- 5 Polyanthas and their climbing forms are exhibited only as sprays of two or more blooms.
- 6 One bloom per stem entries of Hybrid Tea, Grandiflora, Floribunda, Miniature, and Miniflora entries must be shown disbudded (without side buds).
- 7 Singles (4 -8 petals or classified as Singles) of Hybrid Teas, Miniatures, Minifloras, Climbers, Shrubs, or Old Garden Roses may be shown with or without side buds, unless the class is restricted to no side buds.
- 8 Sprays of two or more blooms may also include green buds if they are not distracting.
- 9 Shrub Roses and Old Garden Roses may be exhibited as sprays or as one bloom per stem with side buds; they may also be exhibited stem-on-stem (one year's growth only).
- 10 Shrubs are divided into three classes. Classic Shrubs are those Shrubs with a family name – Hybrid Moyesii (HMoy), Hybrid Musk (HMask), Hybrid Rugose (HRg), Hybrid Kordesii (HKor), denoted in the *Handbook*. All other shrub roses, including Austin roses are Modern Shrubs and denoted "S" for Shrub in the *Handbook*. For this show, Austin roses will be a separate class (Class 230 – David Austin English Roses).
- 11 Old Garden Roses are types or classifications of roses established prior to the date of the first commercially successful Hybrid Tea- - 1867. There are classes for cultivars introduced "Prior to 1867" and "1867 and After", and a "Genesis class" for species roses.

All roses entered into these classes must be Old Garden Roses as classified in *Modern Roses* or the *Handbook for Selecting Roses*.

- 12 Wedges are permitted, but must not protrude above the lip of the container. Exhibitors must remove their wedging material from the vases at the end of the show.
- 13 Exhibition form is defined as that form expected of a Hybrid Tea – a high, pointed center with a circular outline of the petals as they unfold. Example: ‘Gemini’.
- 14 Exhibition stage is defined as any form in which a particular cultivar displays the most perfect phase of beauty for that rose. Example: ‘Marriota’.
- 15 A Novice in Horticulture is an exhibitor who has not won either two blue ribbons or a trophy in any ARS-sanctioned rose show. This rule does not pertain to monthly/little rose shows held during a regular meeting.
- 16 No exhibits, entry tags, containers or awards may be removed before the close of the show except by the Show Chairman. Ribbons, certificates and trophies may be collected at the end of the show.
- 17 All entries must be in place by the time set forth in the Time Schedule. It is the exhibitor’s responsibility to place their entries in the proper classes.
- 18 All roses must be outdoor grown in the exhibitor’s garden.

Point Scores for Judging Specimens

Form 25 points

Elegance, dignity, true to expected form, with well formed center and symmetrically arranged petals.

Color 20 points

Typical of the variety. Shall include freshness, brilliance, and purity.

Substance 15 points

Quality and quantity of the matter of the petals. Substance comprises the texture, crispness, firmness, thickness and toughness of the petals. It also determines the degree of durability of form and keeping quality of the bloom.

Stem and Foliage 20 points
